Jammu Tawi-Udhampur rail—link was laid, upto which period the project was likely to be completed and the cost of the work initially estimated;

(b) what is the percentage of rise in the cost and by what percentage the cost is likely to escalate by the time the project is completed;

(c) what percentage of the work has been completed and by when the project is likely to be executed, stating the reasons for delay in its completion; and

(d) what measures have been taken by Government to ensure that the work is completed according to the revised schedule, so as to avoid further cost escalation?

THE MINISTER OF STATE OF THE MINISTRY OF RAILWAYS (SHRI MADHAVRAO SCINDIA): (a) The foundation stone was laid on 14.4.1983. The completion of the work would depend on the availability of resources in the coming years. The cost of the work as initially shown in the Budget (81-82 Supplementary) was Rs. 50 crore.

(b) The present estimated cost is Rs 112.27 crore which represents a rise of 122% over the original cost of the project. The percentage of future escalation cannot be predicted at this stage.

(c) 12.8%. The delay in completion is due to constraint of resources and the difficult nature of construction.

(d) Additional plan outlay and allocation for new lines is projected to the Planning Commission for completion of on-going projects.

Developing of Bhubaneswar Airport

34. SHRI BASUDEB MOHAPATRA: Will the Minister of CIVIL AVIATION AND TOURISM be pleased to state:
